## Natural Kraft

Kraft-covered notebooks are notebooks with a natural and rustic appearance, typically in brown color. The covers of these notebooks are usually made of kraft paper and have a simple, minimalist style. Kraft paper is produced from raw wood fibers, providing an untreated appearance.

# Powerbank

Mobile devices have become an integral part of our lives today. Smartphones, tablets, laptops, and other portable electronic devices have become indispensable tools for making our work easier, communicating, and having fun. However, daily usage of these devices sometimes poses challenges regarding battery life. This is where power banks come into play.

## Wireless stand Technology

Wireless Charging stands utilize the Wireless Charging standard known as Qi. This standard operates based on the principle of magnetic resonance. A coil located behind or beneath your device communicates with the coil in the Charging stand, transmitting electrical energy wirelessly. As a result, you can charge your devices without plugging them in.

## A Decorative Touch

Desk lamps with illumination offer an ideal solution for focused and adequate lighting. They can be utilized as work desk lamps, reading corner companions, or nightstand lights. Models with adjustable arms and heads provide an efficient usage by allowing the light to be directed in the desired direction.

## T-Shirts

T-shirts are among the fundamental and most common clothing types in the modern fashion world.

Typically crafted from cotton fabric, T-shirts comfortably conform to the body. These garments, usually short-sleeved and round-necked, cover the upper body, making them an essential piece of clothing for both men and women.
